1 INTRODUCTION AND APPOINTMENT

Peri Micaela Finnigan and Boris van Delden, CAANZ Accredited Insolvency Practitioners, of Auckland, were appointed jointly and severally as liquidators of AXYX Limited ("the company") on 28 October 2016.

Pursuant to Section 255(2)(d) of the Companies Act 1993 ("the Act"), the liquidators herewith report on the progress of the liquidation. This eighth report should be read in conjunction with the liquidators' previous reports. This report is being sent to all shareholders and all creditors who have filed a claim in the liquidation.

A Statement of Realisations and Distributions is **attached**.

2 RESTRICTIONS

Whilst all care and attention has been taken in compiling this report, we do not accept any liability whatsoever to any party as a result of the circulation, publication, reproduction or use of this report.

We reserve the right (but are under no obligation) to review and, if we consider necessary, revise this report in respect of any information existing at the date of this report which becomes known to us after that date.

3 CONDUCT OF THE LIQUIDATION DURING THE PRECEDING SIX MONTHS

All the fixed assets and inventory of the company have been realised with the details provided in previous reports.

There have been no further recoveries from debtors since the last report. There is an amount shown as outstanding from Earmax New Zealand Limited (In Liquidation). A claim has been filed in that liquidation, which is on-going.

4 INVESTIGATIONS

The liquidators have completed their investigations into the books, records, and affairs of the company. No matters have been identified that can be pursued for the benefit of the creditors.

5 CREDITORS' CLAIMS

5.1 *Secured Creditors*

A secured claim has been received from a Trust related to the director for \$260,000. As outlined in 3.4 above, the liquidators reviewed the validity of this claim and, after independent legal advice on the claim accepted that the trust had a secured claim of \$275,550. This amount has been settled in full by the Trust retaining possession of the cars.

5.2 *Preferential Creditors*

Total preferential claims for wages or salary, holiday pay and redundancy amount to \$34,123. The preferential employees have been paid in full.

A preferential claim was received from New Zealand Customs for \$354. This amount has been paid in full.

The Inland Revenue Department initially submitted a preferential claim for \$4,609 however after carrying out an audit of the company the preferential claim was withdrawn.

5.3 *Unsecured Creditors*

As at the date of preparing this report 43 unsecured creditors claim forms have been received totalling \$463,275. This includes the amount claimed by the trust, referred to in 5.1.

A distribution has been made to unsecured creditors of \$138,416, amounting to approximately 29 cents in the dollar of claims.

The unsecured distribution amount includes \$67,059 to the secured creditor, being the amount of the car value that was not covered by their security. A further cash amount was paid to the secured creditor as part of their unsecured entitlement from the funds held.
