**Liquidators' Second Report
For the period from 28 October 2016 to 27 April 2017**

1 INTRODUCTION AND APPOINTMENT

Peri Micaela Finnigan and Boris van Delden, CAANZ Accredited Insolvency Practitioners, of Auckland, were appointed jointly and severally as liquidators of AXYX Limited ("the company") on 28 October 2016.

Pursuant to Section 255(2)(d) of the Companies Act 1993 ("the Act"), the liquidators herewith report on the progress of the liquidation. This second report should be read in conjunction with the liquidators' previous report. This report is being sent to all shareholders and all creditors who have filed a claim in the liquidation.

A Statement of Realisations and Distributions is **attached**.

2 RESTRICTIONS

Whilst all care and attention has been taken in compiling this report, we do not accept any liability whatsoever to any party as a result of the circulation, publication, reproduction or use of this report.

We reserve the right (but are under no obligation) to review and, if we consider necessary, revise this report in respect of any information existing at the date of this report which becomes known to us after that date.

3 CONDUCT OF THE LIQUIDATION DURING THE PRECEDING SIX MONTHS

Asset Realisations

3.1 Debtors

(Statement of Affairs: \$Unknown)

The liquidators have recovered \$28,935 from company debtors. There are some amounts still outstanding, including an amount from Earmax New Zealand Limited (In Liquidation), but further recoveries appear unlikely at this stage.

3.2 Fixed Assets

(Statement of Affairs: \$Not Disclosed)

The liquidators have received \$7,296 from the sale of plant and equipment including computer equipment. There is still a small amount of plant and equipment to be sold.

3.3 Inventory *(Statement of Affairs: \$Not Disclosed)*

Sale of stock amounts to \$24,439. There is no further inventory to be sold.

3.4 Motor Vehicles *(Statement of Affairs: \$Not Disclosed)*

The sale of company vehicles has realised \$47,000.

There are a number of BMW vehicles with an estimated value of \$260,000, that were purchased from trust monies, that are owned by the company and are subject to a security claimed by the Trust, which is related to the director.

The validity of that security is being reviewed by the liquidators. In the interim, pursuant to an agreement between the liquidators and the Trust, the vehicles are being stored by the Trust until the issue of the claimed security is finalised.

3.5 Intellectual Property

The intellectual property of the company has been sold for \$130,000

3.6 Bank Account Closure and Cash at Hand

At closure of the company bank account \$2,023 was received and cash at hand totalled \$654.

4 INVESTIGATIONS

The liquidators are continuing their investigations into the books, records and affairs of the company.

5 CREDITORS' CLAIMS

5.1 Secured Creditors

A secured claim has been received from a Trust related to the director for \$525,411. As outlined in 3.4 above, the liquidators are reviewing the validity of this claim.

5.2 Preferential Creditors

Total preferential claims for wages or salary, holiday pay and redundancy amount to \$34,123. The preferential employees have been paid in full.

A preferential claim was received from New Zealand Customs for \$354.04. This amount has been paid in full.

The Inland Revenue Department has submitted a preferential claim for \$4,609 however they are currently carrying out an audit of the company and the amount of the preferential claim could change depending on the result of that audit.

No dividend has been paid to the Inland Revenue Department at the date of this report.

5.3 Unsecured Creditors

As at the date of preparing this report 38 unsecured creditors claim forms have been received which total \$164,811. In the interests of minimising liquidators' fees, the liquidators will not attend to the formality of accepting or rejecting creditors' claims until such time as we are in a position to pay a distribution.

6 FUNDS / LIKELY OUTCOME

It is too early to determine whether or not there will be a distribution to unsecured creditors.

7 MATTERS DELAYING THE COMPLETION OF THE LIQUIDATION

The following matters are outstanding:

- Complete the sale of plant & equipment
- Finalise the review of the Trust secured claim
- Finalise the review of the company's records and affairs

8 ESTIMATED DATE OF COMPLETION

Based on the information contained in this report the liquidators are unable to estimate when the liquidation will be completed.
