## 1 INTRODUCTION AND APPOINTMENT

Tony Leonard Maginness and Peri Micaela Finnigan, Insolvency Practitioners of Auckland, were appointed jointly and severally as receivers and managers of the property of eHome NZ Limited, which property consists of all present and after acquired personal property of the Company, the meaning ascribed to that term in the General Security Agreement on 5 February 2015. The receivers and managers were appointed under the powers contained within a General Security Agreement dated 11 February 2013 in favour of CJM eHome Limited.

The company was placed into liquidation on 17 April 2015 by special resolution of the shareholders. Stephen Rex Tietjens, insolvency practitioner of Auckland, was appointed as liquidator.

The company changed its name on 23 June 2015 following sale of assets. The purchaser has taken over the name "eHome".

Pursuant to section 24 of the Receiverships Act 1993 ("the Act"), the receivers report herewith on the progress of the receivership for the period from appointment to 4 August 2017. This seventh report should be read in conjunction with the receivers' previous reports.

A statement of Realisations and Distributions is not attached as there have been no transactions since the last report.

### 5 CREDITORS' CLAIMS

#### 5.1 GSA Holders

At the date of this report the amounts still owing to our appointer were as follows:

Amount owing at the commencement of receivership being	\$
5 February 2015	6,623,321
Advances to Receivers during receivership to fund trading	<u>1,356,172</u>
<b>Sub Total</b>	<b>7,979,493</b>
Less distributions from receiver	<u>912,306</u>
<b>Balance outstanding</b>	<b><u>\$7,067,187</u></b>

**Note:** Further advances were made direct for disbursements incurred during the receivership which are not reported here.

There are two further general security agreement holders

- ANZ Bank New Zealand Limited have a secured claim of \$4,542,389. This is subject to personal guarantees from the directors.
- Ngatotara Trust have a secured claim of \$1,654,469.

#### 5.2 Other Secured Creditors

We have received 19 further secured claims totalling \$1,973,359. Many of these relate to stock supplies. Certain of these creditors recovered stocks or traced into proceeds.

Payments totalling \$120,411 have been made to five secured creditors holding Purchase Money Security Interests in stock. The receivers undertook an extensive tracing exercise for each specific security holder and identified entitlements. There were certain specific security holders that made nil recovery. This was largely because the funds could not be traced into proceeds, the landlord did not place any value on the items, or there were nil stocks on site at date of appointment.

#### 5.3 Preferential Creditors

At the commencement of the receivership the following amounts were owed to preferential creditors.

	\$
Employees Claims – Wages, Holiday Pay and Redundancy	399,254
Inland Revenue – GST and PAYE	<u>138,325</u>
Total	<b><u>\$537,579</u></b>

At the date of this report, payments of \$133,850 have been made to the preferential employees. The payment to employees was from the realisations gained from unencumbered stock sales.

No distribution has been paid towards the preferential Inland Revenue Department claim totalling \$138,325.

#### **5.4 Unsecured Creditors**

As at the date of preparing this report, 227 unsecured creditors claim forms have been received which total \$3,711,579. No distribution has been paid.

The Receivers are not responsible for the administration of unsecured creditors' claims, however, it appears unlikely that there will be surplus funds available for unsecured creditors. There is a significant shortfall to the secured and preferential creditors.
