1 INTRODUCTION AND APPOINTMENT

Peri Micaela Finnigan and Iain McLennan, Accredited Insolvency Practitioners, of Auckland, were appointed joint and several liquidators of JW builders Limited ("the company") on 30 June 2018.

Pursuant to Section 255(2)(d) of the Companies Act 1993 ("the Act"), the liquidators are reporting on the progress of the liquidation. This third report should be read in conjunction with the liquidators' previous reports.

This report is being sent to all shareholders and all creditors who have filed a claim in the liquidation.

A Statement of Realisations and Distributions is **attached**.

2 RESTRICTIONS

Whilst all care and attention has been taken in compiling this report, we do not accept any liability whatsoever to any party arising from the circulation, publication, reproduction, or use of this report.

We reserve the right (but are under no obligation) to review and, if we consider necessary, revise this report in respect of any information existing at the date of this report but that becomes known to us after that date.

3 CONDUCT OF THE LIQUIDATION DURING THE PRECEDING SIX MONTHS

Asset Realisations

3.1 Motor Vehicle

The secured creditor realised the company's vehicle. The secured creditor realised \$35,132 net from the sale of the vehicle.

3.2 Refunds

The liquidators have received a GST refund of \$2,643 relating to pre-liquidation GST refunds.

The liquidators have received a refund of Master Builders' fees of \$112.

3.3 Interest

The liquidators have earned \$5 on funds held.

4 INVESTIGATIONS

The liquidators' investigations into the books, records and affairs of the company have now been completed. No matters came to the knowledge of the liquidators that, if pursued, could eventuate in a return to the company's creditors.

5 CREDITORS' CLAIMS

5.1 Secured Creditors

Heartland Bank Limited ("Heartland") held a specific security over the company's vehicle. The vehicle was sold and the net proceeds of sale of \$35,132 were distributed to Heartland. Heartland's debt has been repaid in full. There were no surplus funds following the sale of the vehicle.

5.2 Preferential Creditors

The Inland Revenue Department ("IRD") has submitted a preferential claim of \$35,813 and an unsecured claim of \$11,452.06.

The IRD has received a distribution of \$294 in relation to GST payable for the period ended 30 June 2018.

No employee claims have been received by the liquidators.

5.3 Unsecured Creditors

As at the date of preparing this report, two unsecured creditors have submitted claim forms totalling \$7,301. Unsecured claims in the liquidation, including the unsecured claim by the IRD, total \$18,753.

A number of the company's trade creditors held personal guarantees given by the company's director. The liquidators understand that a third party associated with the director has discharged these director's obligations under these personal guarantees.

In the interests of minimising liquidators' fees, the liquidators will not attend to the formality of accepting or rejecting creditors' claims until such time as we are in a position to pay a distribution to that class of creditors.

6 FUNDS / LIKELY OUTCOME

All of the company's realisable assets have now been realised and all distributions to creditors have been made.

7 MATTERS DELAYING THE COMPLETION OF THE LIQUIDATION

The liquidators are in the process of completing their duties with a view to retiring as liquidators.

8 ESTIMATED DATE OF COMPLETION

The liquidators anticipate that they will retire as liquidators before the end of the next reporting period.
