1 INTRODUCTION AND APPOINTMENT

Tony Leonard Maginness and Peri Micaela Finnigan, Insolvency Practitioners, of Auckland, were appointed joint and several liquidators of Natural Insulation (NZ) Limited ("the company") on 24 June 2013. On 18 December 2015, Tony Leonard Maginness resigned his position as liquidator, appointing Boris van Delden as his successor.

Pursuant to Section 255(2)(d) of the Companies Act 1993 ("the Act"), the liquidators are reporting on the progress of the liquidation. This fifteenth report should be read in conjunction with the liquidators' previous reports. This report is being sent to all shareholders and all creditors who have filed a claim in the liquidation.

A Statement of Realisations and Distributions is **attached**.

2 RESTRICTIONS

Whilst all care and attention has been taken in compiling this report, we do not accept any liability whatsoever to any party arising from the circulation, publication, reproduction, or use of this report.

We reserve the right (but are under no obligation) to review and, if we consider necessary, revise this report in respect of any information existing as at the date of this report but that becomes known to us after that date.

3 CONDUCT OF THE LIQUIDATION DURING THE PRECEDING SIX MONTHS

Asset Realisations

No realisations have been made since this liquidators' last report.

4 INVESTIGATIONS

The liquidators' investigations into the books, records and affairs of the company have now been completed.

The liquidators have investigated the actions of the company's directors and have written to the directors about matters of concern arising prior to the company's liquidation. As a result of that correspondence, the liquidators have concluded that no further action against the directors is warranted. For completeness, the liquidators note that Grant Thomas is now deceased.

5 CREDITORS' CLAIMS

5.1 *Secured Creditors*

A secured claim of \$10,167 was received from Marac Finance Limited in relation to security held over certain plant and vehicles. A distribution of \$6,175 has been made in respect of this security. Marac Finance Limited's security on the PPSR has been discharged.

BMW Financial Services held security over vehicles owned by the company. Distributions totalling \$42,516 were made in respect of this security. A balance of \$6,187 remains owing to BMW Financial Services. BMW Financial Services' security on the PPSR has been discharged.

A claim of \$110,950 was received from Autex Industries Limited, who held specific security over stock supplied and its proceeds. A distribution of \$25,716 was made in respect of this security. Autex Industries Limited's security on the PPSR been discharged.

5.2 *Preferential Creditors*

The liquidators received employee claims totalling \$10,797. The employee claims have been paid in full.

The liquidators have paid a distribution of \$16,942 to three claimants in accordance with clause 1(1)(e) of the Seventh Schedule of the Companies Act 1993. The distributions relate to assistance provided to the liquidators in relation to the recovery of assets owned by the company.

The Inland Revenue Department has submitted a preferential claim for \$94,277. No distribution has been paid to the Inland Revenue Department as at the date of this report.

The liquidators have received two other preferential claims totalling \$45,650. Because these claims rank after the Inland Revenue Department's preferential claim and in the interest of minimising liquidators' fees, the liquidators will not attend to the formality of accepting or rejecting these creditors' claims until such time as we are in a position to pay a distribution.

5.3 *Unsecured Creditors*

As at the date of preparing this report, 53 unsecured creditors' claims have been received totalling \$913,714. In the interests of minimising liquidators' fees, the liquidators will not attend to the formality of accepting or rejecting creditors' claims until such time as we are in a position to pay a distribution.

6 FUNDS / LIKELY OUTCOME

All of the company's realisable assets have now been realised and all distributions to creditors have been made.

7 MATTERS DELAYING THE COMPLETION OF THE LIQUIDATION

The liquidators are in the process of completing their duties with a view to retiring as liquidators.

8 ESTIMATED DATE OF COMPLETION

The liquidators anticipate that they will retire as liquidators before the end of the next reporting period.
