The Liquidators have met with the directors and were advised that the liquidation of the company was the result of cashflow shortages leading to the sale of the business. The company had fixed costs which could not be met in full from the variable number of tenants the company was hosting and from the revenue that was being generated.

The directors have advised that attempts had been made to reduce material costs however that could not be achieved. The company ceased trading in January 2023 following the sale of the business.

6 STATEMENT OF AFFAIRS

7 ASSETS AND PROPOSED ACTIONS IN THE LIQUIDATION

We will realise all available assets. The estimated dates for these actions are within the next two years.

We will complete a thorough review of the company's books, records and affairs to:

If there are funds available for distribution to creditors, we will verify creditors' claims and make a distribution. We will then complete the liquidation and request that the Registrar of Companies remove the company from the register.
