## 7 ASSETS AND PROPOSALS FOR CONDUCTING THE LIQUIDATION

We will realise all available assets. Issues have been raised in relation to the ownership of the registered trademark and these are being investigated. If any creditor is interested in or knows of any other party who may be interested in purchasing any of the assets, please advise us urgently.

We will complete a thorough review of the company's books, records and affairs to:

- ensure that all assets have been properly accounted for,
- determine if there are any other avenues of recovery for creditors,
- determine if the company's officers have properly carried out their duties and take appropriate steps where necessary.

If there are funds available for distribution to creditors, we will verify creditors' claims and make a distribution. We will then complete the liquidation and request that the Registrar of Companies remove the company from the register.
