1 INTRODUCTION AND APPOINTMENT

Boris van Delden and Iain McLennan, CAANZ Accredited Insolvency Practitioners, of Auckland, were appointed joint and several liquidators of North Shore Waterproofing Services Limited ("the company") on 24 July 2017.

Pursuant to Section 255(2)(d) of the Companies Act 1993 ("the Act"), the liquidators herewith report on the progress of the liquidation. This third report should be read in conjunction with the liquidators' previous reports. This report is being sent to all shareholders, and all creditors who have filed a claim in the liquidation.

A Statement of Realisations and Distributions is **attached**.

2 RESTRICTIONS

Whilst all care and attention has been taken in compiling this report, we do not accept any liability whatsoever to any party as a result of the circulation, publication, reproduction or use of this report.

We reserve the right (but are under no obligation) to review and, if we consider necessary, revise this report in respect of any information existing at the date of this report which becomes known to us after that date.

3 CONDUCT OF THE LIQUIDATION DURING THE PRECEDING SIX MONTHS

Upon our appointment, the family of the deceased director took some time to evaluate the viability of continuing the company's business and buying the assets of the company from the liquidators. To maintain the value of the company's goodwill, they formed a company with a similar name and hired the company's staff to complete work in progress. After some weeks of negotiation, the resignation of a key manager made such a purchase unfeasible.

The liquidators then proceeded to wind down operations and realise the company's assets. The liquidators have also sought to sell the company's intellectual property. Progress has been slow due to the unique nature of the waterproofing method used, which limits the number and interest of potential buyers.

Asset Realisations

3.1 Insurance Refund

A refund of \$2,492 was recovered from cancellation of the company insurance.

3.2 Debtors

(Statement of Affairs: \$8,236)

The sum of \$5,685 has been collected from company debtors.

3.3 Sale of Assets

(Statement of Affairs: \$8,108)

The liquidators have realised \$17,282 from the sale of the company assets.

4 INVESTIGATIONS

The liquidators' investigations into the trading affairs of the company prior to liquidation are almost complete. No matters have so far come to the knowledge of the liquidators that could eventuate in a benefit to creditors.
