1 INTRODUCTION AND APPOINTMENT

Jared Waiata Booth and Tony Leonard Maginness, Insolvency Practitioners, of Auckland, were appointed joint and several liquidators of Odev Limited (“the company”) on 10 December 2015 by the sole shareholder of the company. On 18 December 2015, Tony Leonard Maginness resigned his position as liquidator, appointing Boris van Delden (IP57) as his successor. On 18 March 2016, Jared Waiata Booth resigned his position as liquidator, appointing Peri Micaela Finnigan (IP17) as his successor. On 25 June 2022, Peri Micaela Finnigan resigned her position as liquidator, appointing Colin Sanderson (IP89) as her successor.

Pursuant to Section 255(2)(d) of the Companies Act 1993 (“the Act”), the liquidators are reporting on the progress of the liquidation. This fourteenth report should be read in conjunction with the liquidators’ previous reports.

This report is being sent to all directors and shareholders and all creditors who have filed a claim in the liquidation.

A Statement of Realisations and Distributions is **attached**.

2 RESTRICTIONS

Whilst all care and attention has been taken in compiling this report, we do not accept any liability whatsoever to any party arising from the circulation, publication, reproduction, or use of this report.

We reserve the right (but are under no obligation) to review and, if we consider necessary, revise this report in respect of any information existing as at the date of this report but that becomes known to us after that date.

3 CONDUCT OF THE LIQUIDATION DURING THE PRECEDING SIX MONTHS

The company’s shareholder, Optimizer HQ Limited (company number 1595474), was placed into liquidation on 27 November 2020.

The liquidators have assigned the company's interest in certain pre-liquidation claims to an assignee. Two related companies, Optimizer HQ Limited (in liquidation) and 4468440 Limited (in liquidation), are also parties to the deed as assignors. The deed of assignment provides for funds to flow to the company, in the event that the assignee makes recoveries on the claims assigned to it by the assignor.

The liquidators have been advised that the assignee has filed a claim and is awaiting timetabling directions. The liquidators have not received any further updates on the progress of the claim.

4 INVESTIGATIONS

The liquidators' investigations into the books, records and affairs of the company are largely complete. The liquidators have identified some matters of interest arising from their investigations, have engaged counsel, and are pursuing recovery of a company asset. As the liquidators do not wish to prejudice their claim, no further details are being provided at this time.

5 CREDITORS' CLAIMS

CLAIMS RECEIVED	NUMBER	VALUE	PAID
GSA Holder	1	\$108,744	\$93,051
Specific Security – Barter Card	1	\$152,056	152,056 Barter Card
Specific Security – Cannon	1	\$62	NIL
Employee Preferential Claims	6	\$15,809	NIL
IRD Preferential	1	\$89,108	NIL
Unsecured Claim	9	\$207,476	NIL

One general security remains registered over the company's assets in favour of ANZ Bank New Zealand Limited.

In the interests of minimising liquidators' fees, the liquidators will not attend to the formality of accepting or rejecting creditors' claims unless we are in a position to pay a distribution to that class of creditors.

6 FUNDS / LIKELY OUTCOME

Distributions to creditors are dependent on the outcome of:

- the recovery action being taken by the liquidators in relation to the company's asset; and
- the claims being pursued by the assignee.

7 MATTERS DELAYING THE COMPLETION OF THE LIQUIDATION

The following matters are outstanding:

- Resolution of recovery action

- Resolution of claims assigned to the assignee
- Completion of related party liquidations

8 ESTIMATED DATE OF COMPLETION

The liquidators will not be in a position to retire until the assigned claims are resolved. Due to the complex nature of the assigned claims, it is not practical for the liquidators to estimate the date of completion of this liquidation.
