#### 1 INTRODUCTION AND APPOINTMENT

Iain McLennan (Licence No: IP82) and Keaton Pronk (Licence No: IP107), Licensed Insolvency Practitioners, of Auckland, were appointed joint and several liquidators of the Optimizer HQ Limited (In Liquidation) (**company**) on 27 November 2020.

Pursuant to Section 255(2)(d) of the Companies Act 1993 (**Act**), the liquidators are reporting on the progress of the liquidation. This sixth report should be read in conjunction with the liquidators' previous reports.

This report is being sent to each shareholder and every known creditor of the company and to the Registrar.

#### 2 RESTRICTIONS

This report has been prepared by us in accordance with and solely for the purpose of section 255(d) of the Companies Act 1993 (**Act**). A Statement of Realisations and Distributions is **attached**. This report should be read in conjunction with the liquidators' previous reports.

This report has been prepared using the information known to us. We have not independently verified the accuracy or reliability of the information provided or undertaken an audit of the company. We do not accept any liability whatsoever to any party arising from the circulation, publication, reproduction or use of this report.

We reserve the right but are under no obligation to review and, if we consider necessary, revise this report in respect of any information existing at the date of this report that becomes known to us after that date.

#### 3 UPDATED INTERESTS STATEMENT

We have not become aware of any circumstance, relationship, or other fact since our last interests statement that created, or could reasonably be perceived as creating, a conflict of interest for us in relation to our independence as liquidators of this company.

## 4 CONDUCT OF THE LIQUIDATION

### 4.1. During the reporting periods to date

The liquidators have:

- Monitored ongoing litigation against the company director taken in the High Court by a creditor of a subsidiary company in liquidation
- Attended to queries from the director of the assignee in regard to the assigned claims
- Attended to our statutory duties, including reporting to creditors

### 4.2 Since the commencement of the liquidation

The liquidators have:

- Corresponded with the petitioning creditor and obtained the sealed court order placing the company into liquidation
- Interviewed the director and other parties with knowledge of the affairs of the company
- Uplifted and reviewed the available books and records of the company
- Commenced our investigation into the affairs of the company
- Reviewed the pre-liquidation proceedings filed by the company in the High Court and the Court of Appeal and, to the extent required, dealt with matters arising in those proceedings to bring those proceedings to an end
- Investigated as far as possible at the time, the basis for certain suggested recovery avenues
- Assigned the company's interest (together with the interest of two related companies, Odev Limited (in liquidation) and 4468440 Limited (in liquidation)) in certain pre-liquidation claims to an assignee (**assigned claims**)

The company is not a party to any known proceedings. It has an interest in the outcome of the assigned claims. The liquidators have not been involved in the proceedings since they were assigned.

There are no material changes to the actions the liquidators propose to take in the liquidation.

## 5 REALISATIONS

The assignee has paid consideration of \$1 pursuant to the deed of assignment. The deed of assignment provides for funds to flow to the company, in the event that the assignee makes recoveries on the assigned claims.

## 6 CREDITORS' CLAIMS AND DISTRIBUTIONS

No distributions have been made to any of the company's creditors.

The following claims have been received:

CLAIMS RECEIVED	NUMBER	VALUE

Specific Securities	0	NIL
Court costs	1	4,282
Employee Preferential Claims	1	106,040
IRD Preferential Claims	0	NIL

The liquidators are aware that the company has further creditors who have not yet filed a claim in the liquidation.

As the claims received to date all arise from court judgments, the liquidators have admitted the claims into the liquidation as unsecured claims. The liquidators are yet to determine whether all of the employee's claim is preferential and note that the employee's preferential claim will be limited to the maximum priority sum of \$23,960.
