1 INTRODUCTION AND APPOINTMENT

Iain McLennan and Keaton Pronk, Licensed Insolvency Practitioners, of Auckland, were appointed as joint and several liquidators of St Heliers Health Store Limited (In Liquidation) ("the company") on 29 March 2021.

This report has been prepared pursuant to Section 255(2)(d) of the Companies Act 1993 (**Act**) for the purpose of reporting on the liquidation of the Company. A Statement of Realisations and Distributions is **attached** as Appendix 1.

The report is being sent to all shareholders and all creditors who have filed a claim in the liquidation.

2 RESTRICTIONS

This report should be read in conjunction with the liquidators' previous report.

This report has been prepared using the information known to us. We have not independently verified the accuracy or reliability of the information provided or undertaken audit of the Company. We do not accept any liability whatsoever to any party arising from the circulation, publication, reproduction or use of this report.

We reserve the right (but are under no obligation) to review and, if we consider necessary, revise this report in respect of any information existing at the date of this report which becomes known to us after that date.

3 UPDATED INTERESTS STATEMENT

We have not become aware of any circumstances, relationships, or other facts since we last prepared an interests statement that create, or could reasonably be perceived as creating, a conflict of interest for us in relation to our independence as liquidators.

4 CONDUCT OF THE LIQUIDATION DURING THE PRECEDING SIX MONTHS

Since our appointment, we have realised a small amount of sundry assets from the shop.

Returned several inventory items to various supplier/creditors.

Destroyed the remaining unclaimed inventory.

An old glass front fridge remains unsold. There are questions about its saleability given its age.

5 INVESTIGATIONS

The liquidators have concluded their investigations into the books, records and affairs of the company for cost/benefit reasons. The liquidators understand that the director has made a variety of arrangements with the creditors that held valid personal guarantees.

There are no known current or pending proceedings for which the company is a party.

6 CREDITORS' CLAIMS

In the interest of minimising liquidator's fees, the liquidators will only formally accept or reject creditors' claims if there are funds available to pay a distribution.

The following claims have been received:

CLAIMS RECEIVED	NUMBER	VALUE	DISTRIBUTIONS	¢ IN THE \$
GSA Holders	Nil			
IRD Preferential Claims	1	596		
Unsecured Claim	9	62,551		

These claims are expected to reduce as some creditors have issued credit notes for returned product and we are also aware that personal guarantees have been crystallised and resolved. That being the case the creditor claims against the company should reduce significantly.

7 FUNDS / LIKELY OUTCOME

At this stage the liquidators do not anticipate paying a distribution to unsecured creditors.

8 COMPLETION DATE AND MATTERS DELAYING THE COMPLETION OF THE LIQUIDATION

The following matters are outstanding:

- Realisation any remaining company assets
- Completion of the liquidation

At this time we estimate the completion date for the liquidation to be within the next 3 months.
