The company ("T2G") was incorporated to develop and market products using a product that was developed by the related company, Mende Biotech Limited (MBL). T2G also developed and patented an anti-microbial concentrate known as 110A.

In July 2016, the related party invoiced T2G for product that T2G had not ordered and that the related company was not authorised to produce. A dispute developed and legal action commenced. The action was not defended because of the costs involved and T2G was subsequently liquidated.

5 ASSETS AND PROPOSALS FOR CONDUCTING THE LIQUIDATION

We have been advised by the directors that the only assets of T2G are the patent it holds for the 110A product, the IP it holds in other products and the shares it holds in the related company, MBL.

We will realise all available assets. No information is provided at this time on the estimated realisable value of the assets so as not to prejudice the sale process. If any creditor is interested or knows of any other party who may be interested in purchasing any of the assets, please advise us urgently.

We will complete a thorough review of the company's books, records and affairs to:

- ensure that all assets have been properly accounted for,
- determine if there are any other avenues of recovery for creditors,
- determine if the company's officers have properly carried out their duties, and take appropriate steps where necessary.

If there are funds available for distribution to creditors we will verify creditors' claims and make a distribution. We will then complete the liquidation and request that the Registrar of Companies remove the company from the register.

6 LIABILITIES AND CREDITOR CLAIMS

6.1 Secured Creditors

As at the date of liquidation one secured party had a registered security interest against the company on the Personal Property Securities Register.

The director, Charles Richards, has a General Security Agreement (GSA) registered on the PPSR in respect of advances made to the company. Those advances totalled approximately \$81,514 at the date of liquidation. Interest continues to accrue on the amount owing.

Personal Property Securities Act / Reservation of Title

Should any creditor believe that they are entitled to any goods, or proceeds from realisation of goods, due to holding a Purchase Money Security Interest, they should contact us immediately.

If any creditor believes that they have a Reservation of Title over goods and they have not perfected their interest, they should also contact us immediately.

6.2 Preferential Creditors

We have requested a creditor's claim form from the applicant creditor for its Court awarded costs.

No claim has been received from the Inland Revenue Department but we have been advised that there is potential claim for \$500 in relation to a default assessment of GST.

6.3 Unsecured Creditors

From our review of the company's accounting records and other information we estimate that the amount due to unsecured creditors is approximately \$33,125. A schedule of known creditors and their addresses is provided at Appendix 1, as required by Section 255(2)(c) of the Act.

A notice to creditors to prove debts or claims is included at Appendix 3. Also enclosed is a creditor's claim form for completion and return to this office by Thursday, 31 August 2017. Creditors that have not made a claim by the date on the notice may be excluded from any distribution made. If you believe that you are a secured creditor please contact us and the appropriate form will be sent to you.

7 CREDITORS' MEETING / LIQUIDATION COMMITTEE

A notice of the Liquidators' decision to dispense with the meeting of creditors is provided at Appendix 2.

Pursuant to Section 314 of the Companies Act 1993, creditors are advised that at any time in the course of the liquidation the Liquidator shall, at the request in writing of any creditor or shareholder, call a meeting for the purpose of appointing a liquidation committee.
