

Viaduct Capital Limited (In Receivership)

Receivers' Twenty Fourth Report

1 INTRODUCTION AND APPOINTMENT

Boris van Delden and Iain McLennan, Licensed Insolvency Practitioners, of Auckland, were appointed jointly and severally as receivers and managers of all the assets, property, and undertakings of the company on 13 May 2010 by Prince & Partners Trustee Company Limited.

Pursuant to section 24 of the Receiverships Act 1993, the receivers report herewith on the progress of the receivership. This report should be read in conjunction with the receivers' prior reports.

A statement of realisations and distributions is **attached**.

2 RESTRICTIONS

This report has been prepared in accordance with Section 24 of the Act. Whilst all care and attention has been taken in compiling this report, we do not accept any liability whatsoever to any party as a result of the circulation, publication, reproduction or use of this report.

We reserve the right (but are under no obligation) to review and, if we consider necessary, revise this report in respect of any information existing at the date of this report which becomes known to us after that date.

3 CONDUCT OF THE RECEIVERSHIP DURING THE PRECEDING SIX MONTHS

Asset Realisations

On 4 July 2019, the Court of Appeal issued its decision on the appeals of Mr Bublitz, Mr McKay and Mr Blackwood on the High Court's decision handed down earlier this year. Of Viaduct's directors Mr Blackwood's conviction was overturned, Mr McKay's conviction remains.

Some but not all of Mr Bublitz's convictions were overturned and his sentence reduced. The decision confirmed:

- Mr Bublitz had real and effective control over Viaduct and Mutual;
- Consequently the two companies were related;
- Mutual had not taken the required steps with regard to the SSD's between it and Viaduct.

We continue to challenge Mutual's right to funds recovered under the SSD's.

4 PROPOSALS FOR DISPOSAL OF RECEIVERSHIP PROPERTY

There is no property left to dispose of, however there is a remaining claim to be realised as outlined above. The Receivers have been in further communication with Mutual's Receivers in the last six month period. We are waiting for a response from them.

5 CREDITORS' CLAIMS

5.1 *Secured Creditor*

The secured creditor was Prince & Partners Trustee Company Limited, Level 9, 50 Anzac Ave, Auckland, secured by way of a Trust Deed dated 6 October 2006 and a GSA dated 15 August 2005, which GSA was held in trust for all depositors.

The Trustee submitted a claim in the receivership for \$13,670 in respect of unpaid fees as at the date of receivership which has been paid pursuant to the Trust Deed. The Trustee was granted a licence by the FMA to act as Trustee as required with effect from September 2012. A new Trustee has not been appointed. Until that happens, despite not being licensed, the former Trustee remains in place.

There are 18 secured depositors who have advanced funds totalling \$7,853,139 as follows:

Pre 20 April 2009	1	\$7,320,046
Post 20 April 2009	17	<u>\$533,093</u>
Total Secured		\$7,853,139

The above amounts included any accrued capitalised interest as at the date of receivership.

The receivers paid a first distribution of 7 cents in the dollar in June 2015. As a result of the FMA settlement we estimate that depositors should have received a further 40-50 cents in the dollar approximately from funds distributed by the FMA.

5.2 *Preferential Creditors*

As at the date of receivership there were claims totalling \$1,514 of preferential creditors. The preferential creditors have been paid in full.

5.3 *Unsecured Creditors*

To date, we have received unsecured claims totalling \$52,824. It is unlikely that there will be surplus funds available for unsecured creditors.

6 MATTERS DELAYING THE COMPLETION OF THE RECEIVERSHIP

The following matters are outstanding:

- Final asset realisation; and
- Distribution to secured creditors.

7 ESTIMATED DATE OF COMPLETION

It is currently too early to estimate a date of completion for the receivership.
